ADDENDUM NO. 1

PROVISION OF INTERNET SERVICEST TO CENTRAL BANK OF KENYA, REFERENCED CBK/14/2015-2016

Reference is made to the Tender for Provision of Internet Services to Central Bank of Kenya that appeared in both the Standard and Nation Newspapers and on IFMIS and Central Bank of Kenya websites on 16th November, 2015. The Central Bank of Kenya notifies all interested tenderers that in response to clarifications sought by one of the prospective bidders, **addendum No. 1** is issued in respect to the tender as follows:

Issue Raised	Response
<p>Under Section IV, Technical requirements, (page 27) of the tender document, it states that, “Central Bank of Kenya will not buy routing hardware and accessories.- “</p> <p>Q. Does CBK have them already or are bidders encouraged to quote? If CBK does have the hardware & accessories, are there at least two spare Ethernet ports on the routers for redundancy?</p>	<p>The Bank is only procuring bandwidth and it's the responsibility of the bidder to ensure that the equipment at the Bank will support the required bandwidth. If it does not, the bidder will have to provide the hardware or changes to existing hardware at own cost.</p>
<p>Section IV, 6.2(Page 27),for Head Office, CBK Pension House and Kisumu DR Site;</p> <p>Q1. Does this mean CBK needs 100Mbps for each of these sites?</p>	<p>1. The answer to question 1 is <u>No.</u>, it means that the Bank needs a 100Mbps bandwidth pipe at any one Time. This should be active at primary site (Head Office), but can be</p>

Q 2. “Bandwidth: 100 Mbps (Total-UP/DOWN)” clarify if this should be 50Mbps up/50 Mbps down or 100Mbps up/100 Mbps down.	<p>activated at any other site on demand. This means the other sites must be ready to deliver the 100Mbps bandwidth.</p> <p>2. Bandwidth will be 100Mbps up/100 Mbps down.</p>
