## **BANKING CIRCULAR NO 2 OF 22<sup>ND</sup> APRIL 2008**

**TO: CHIEF EXECUTIVES OF COMMERCIAL BANKS, NON-BANK FINANCIAL INSTITUTIONS AND MORTGAGE FINANCE COMPANIES**

The test period for the new CBK BS (M) return is now over and the Bank is satisfied that successful implementation of the new reporting format has been achieved. We are, therefore, ready to discontinue the old reporting form and adopt the new one.

In order to ensure smooth transition and adequate preparation, submission of both the old and new forms will continue until the end of June 2008. Thus, all returns relating to April, May, and June 2008 should be submitted in both the old and new forms. All the returns for July 2008 and subsequent ones should be submitted in the new format only.

The returns in the new format which have hitherto been submitted by e-mail will, with effect from May 2008, be sent through the Electronic Return Transmission Software (ERTS), details of which will be communicated to you before then.
