

PRESS RELEASE

GROUNDBREAKING CEREMONY FOR KENYA POLICE LEADERSHIP ACADEMY

His Excellency President Uhuru Kenyatta has today performed the Groundbreaking Ceremony for the Kenya Police Leadership Academy in Ngong, Kajiado County.

Upon completion in a year, The Academy will provide the National Police Service (NPS) with modern facilities for the training of its senior leadership. These will include:

- Adequate accommodation for 220
- Classrooms and lecture rooms
- A well-equipped auditorium with seating for 450
- Kitchen and dining facilities
- Sports and recreational facilities

The Central Bank of Kenya (CBK) is supporting the development of this project through a Memorandum of Understanding with the NPS. As part of this arrangement, CBK will build adequate accommodation for the Police officers attached to CBK in Nairobi. CBK has finalised plans to build a modern, gated community in Industrial Area with 210 units. This will solve permanently a long-standing problem, and provide suitable living quarters for these officers and their families.
