DIRECTOR- GENERAL SERVICES DEPARTMENT

SECTION II - INSTRUCTIONS TO TENDERERS

2.1 Eligible Bidders

2.1.1 This Invitation for Tenders is open to all bidders eligible as described in the Invitation to Tender. Successful bidders shall complete the supply of goods by the intended completion date specified in the Schedule of Requirements Section VIII.

2.1.2 The Central Bank of Kenya's employees, committee members, board members and their relatives (spouse and children) are not eligible to participate in the tender.

2.1.3 Bidders shall provide the qualification information statement that the bidder (including all members of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Bank to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods under this Invitation for tenders.

2.1.4 Bidders shall not be under a declaration of ineligibility for corrupt and fraudulent practices.

2.2 Eligible Goods

2.2.1 All goods to be supplied under the contract shall have their origin in eligible source countries.

2.2.2 For purposes of this clause, "origin" means the place where the goods are mined, grown, or produced. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized product results that is substantially different in basic characteristics or in purpose or utility from its components

2.2.3 The origin of goods is distinct from the nationality of the tenderer.

2.3 Cost of Tendering

2.3.1 The Bidder shall bear all costs associated with the preparation and submission of its tender, and the Bank, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.

2.3.2 All firms found capable of performing the contract satisfactorily in accordance to the set criteria shall be awarded the contract.

2.4. The Tender Document

2.4.1 The tender document comprises the documents listed below and addenda issued in accordance with clause 2.6 of these instructions to Tenderers

- (i) Invitation to Tender
- (ii) Instructions to tenderers
- (iii) General Conditions of Contract
- (iv) Special Conditions of Contract
- (v) Schedule of requirements
- (vi) Technical Specifications
- (vii) Tender Form and Price Schedules
- (viii) Tender Security Form
- (ix) Contract Form
- (x) Performance Security Form
- (xi) Bank Guarantee for Advance Payment Form
- (xii) Manufacturer's Authorization Form
- (xiii) Confidential Business Questionnaire

2.4.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.5 Clarification of Documents

2.5.1 A prospective bidder requiring any clarification of the tender document may notify the Bank in writing or by post at the entity's address indicated in the Invitation to Tender. The Bank will respond in writing to any request for clarification of the tender documents, which it receives not later than seven (7) days prior to the deadline for the submission of tenders prescribed by the Bank. Written copies of the Bank's response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective bidders that have received the tender document.

2.5.2 The Bank shall reply to any clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.6 Amendment of Documents

2.6.1 At any time prior to the deadline for submission of tenders, the Bank, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by amendment.

2.6.2 All prospective candidates that have received the tender documents will be notified of the amendment in writing or by post and will be binding on them.

2.6.3 In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their tenders, the Bank, at its discretion, may extend the deadline for the submission of tenders.

2.7 Language of Tender

2.7.1 The tender prepared by the bidder, as well as all correspondence and documents relating to the tender exchange by the bidder and the Bank, shall be written in English language. Any printed literature furnished by the bidder may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.8 Documents Comprising of Tender

2.8.1 The tender prepared by the bidders shall comprise the following components

- (a) a Tender Form and a Price Schedule completed in accordance with paragraph 2.9, 2.10 and 2.11 below
- (b) documentary evidence established in accordance with paragraph 2.13 that the bidder is eligible to tender and is qualified to perform the contract if its tender is accepted;
- (c) documentary evidence established in accordance with paragraph 2.2.1 that the goods and ancillary services to be supplied by the bidder are eligible goods and services and conform to the tender documents; and (d) tender security furnished in accordance with paragraph 2.14

2.9 Tender Forms

2.9.1 The bidder shall complete the Tender Form and the appropriate Price Schedule furnished in the tender documents, indicating the goods to be supplied, a brief description of the goods, their country of origin, quantity and prices.

2.10 Tender Prices

2.10.1 The bidder shall indicate on the appropriate Price Schedule; the **unit prices** of the goods it proposes to supply under the contract

2.10.2 Prices indicated on the Price Schedule shall include all costs including taxes, VAT (where applicable), insurances and delivery charges to the premises of the entity.

2.10.3 Prices quoted by the tenderer shall be fixed during the Tender's performance of the contract and not subject to variation on any account. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to paragraph 2.22

2.10.4 The validity period of the tender shall be 120 days from the date of opening of the tender.

2.11 Tender Currencies

2.11.1 Prices shall be quoted in Kenya Shillings unless otherwise specified in the Appendix to Instructions to Bidders.

2.12 Bidders Eligibility and Qualifications

2.12.1 Pursuant to paragraph 2.10. The bidder shall furnish, as part of its tender, documents establishing the bidder's eligibility to tender and its qualifications to perform the contract if its tender is accepted.

2.12.2 The documentary evidence of the bidder's qualifications to perform the contract if its tender is accepted shall be established to the Bank's satisfaction;

- (a) that, in the case of a bidder offering to supply goods under the contract which the bidder did not manufacture or otherwise produce, the bidder has been duly authorized by the goods' Manufacturer or producer to supply the goods.
- (b) that the bidder has the financial, technical, and production capability necessary to perform the contract;

2.13 Goods Eligibility and Conformity to Tender Documents

2.13.1 Pursuant to paragraph 2.2 of this section, the bidder shall furnish, as part of its tender documents establishing the eligibility and conformity to the tender documents of all goods which the bidder proposes to supply under the contract.

2.13.2 The documentary evidence of conformity of the goods to the tender documents may be in the form of product samples, literature, drawings, and data, and shall consist of:

- (a) a detailed description of the essential technical and performance characteristic of the goods;
- (b) a clause-by-clause commentary on the Bank's Technical Specifications demonstrating substantial responsiveness of the goods and service to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications.

2.13.3 The bidder shall note that standards for materials as well as references to brand names or catalogue numbers designated by the bank in its technical specifications, are intended to be descriptive only and not restrictive. the bidder may substitute alternative standards, brand names, and/or catalogue numbers in its tender, provided that it demonstrates to the bank's satisfaction that the substitutions ensure substantial equivalence to those designated in the technical specifications.

2.14 Validity of Tenders

- 2.14.1 Tenders shall remain valid for 120 days or as specified in the Invitation to Tender after the date of tender opening prescribed by the Bank, pursuant to paragraph 2.18.
A tender valid for a shorter period shall be rejected by the Bank as non-responsive.

2.15 Format and Signing of Tender

- 2.15.1 The bidder shall prepare two copies of the tender, clearly marking each **“ORIGINAL TENDER”** and **“COPY OF TENDER,”** as appropriate. In the event of any discrepancy between them, the **original** shall govern.
- 2.15.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the bidder or a person or persons duly authorized to bind the bidder to the contract. The latter authorization shall be indicated by written power-of-attorney accompanying the tender. All pages of the tender, except for un-amended printed literature, shall be initialed by the person or persons signing the tender.
- 2.15.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the bidder, in which case such corrections shall be initialed by the person or persons signing the tender.

2.16 Sealing and Marking of Tenders

- 2.16.1 The Bidder shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as **“ORIGINAL”** and **“COPY.”** The envelopes shall then be sealed in an outer envelope.
- 2.16.2 The inner and outer envelopes shall:
- (a) be addressed to the Bank at the following address
The Director – General Services Department
Central Bank of Kenya
P.O Box 60000-00200 Nairobi
 - (b) bear Tender number and name in the Invitation for Tenders and the words, **“DO NOT OPEN BEFORE,” 21st April, 2021 at 10.30am**
- 2.16.3 The inner envelopes shall also indicate the name and address of the bidder to enable the tender to be returned unopened in case it is declared **“late”**.
- 2.16.4 If the outer envelope is not sealed and marked as required by paragraph 2.18.2, the Bank will assume no responsibility for the tender’s misplacement or premature opening.

2.17 Deadline for Submission of Tenders

Tenders must be received by the Bank at the address specified under paragraph 2.18.2 no later than **21st April, 2021 at 10.30am**

2.17.1 The Bank may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents, in which case all rights and obligations of the Bank and candidates previously subject to the deadline will therefore be subject to the deadline as extended.

2.18 Modification and Withdrawal of Tenders

2.18.1 The bidder may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by the Bank prior to the deadline prescribed for submission of tenders.

2.18.2 The Bidder's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 2.17. A withdrawal notice may also be sent by cable, telex but followed by a signed confirmation copy, postmarked no later than the deadline for submission of tenders.

2.18.3 No tender may be modified after the deadline for submission of tenders.

2.18.4 The Bank may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.18.5 The Bank shall give prompt notice of the termination to the bidders and on request give its reasons for termination within 14 days of receiving the request from any bidder.

2.19 Opening of Tenders

2.19.1 The Bank will open all tenders in the presence of bidders' representatives who choose to attend **on 21st April, 2021 at 10.30 a.m.** and in the Mezzanine floor Conference Room, Central Bank of Kenya. The bidders' representatives who are present shall sign a register evidencing their attendance.

2.19.2 The Bank will prepare minutes of the tender opening.

2.20 Clarification of Tenders

2.20.1 To assist in the examination, evaluation and comparison of tenders the Bank may, at its discretion, ask the bidder for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

2.20.2 Any effort by the bidder to influence the Bank in the Bank's tender evaluation, tender comparison or contract award decisions may result in the rejection of the bidders' tender.

2.21 Preliminary Examination

2.21.1 The Bank will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

2.21.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected. If there is a discrepancy between words and figures the amount in words will prevail.

2.21.3 The Bank may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

2.21.4 Prior to the detailed evaluation, pursuant to paragraph 2.25 the Bank will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. The Bank's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.21.5 If a tender is not substantially responsive, it will be rejected by the Bank and may not subsequently be made responsive by the bidder by correction of the non-conformity.

2.22 Conversion to Single Currency

2.22.1 Where other currencies are used, the Bank will convert these currencies to Kenya Shillings using the selling exchange rate on the date of tender closing provided by the Central Bank of Kenya.

2.23 Evaluation and Comparison of Tenders

2.23.1 The Bank will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 2.23

2.23.2 The tender evaluation committee shall evaluate the tender within 30 days of the validity period from the date of opening the tender.

2.23.3 A bidder who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.24 Contacting the Bank

2.24.1 Subject to paragraph 2.21 no bidder shall contact the Bank on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

2.24.2 Any effort by a bidder to influence the Bank in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Bidder's tender.

2.25 Award of Contract

(a) Post-qualification

2.25.1 In the absence of pre-qualification, the Bank will determine to its satisfaction whether the bidder that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.25.2 The determination will take into account the bidder financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the bidder's qualifications submitted by the bidder, pursuant to paragraph 2.24 as well as such other information as the Bank deems necessary and appropriate.

2.25.3 An affirmative determination will be a prerequisite for award of the contract to the bidder. A negative determination will result in rejection of the Bidder's tender, in which event the Bank will proceed to the next lowest evaluated tender to make a similar determination of that Bidder's capabilities to perform satisfactorily.

(b) Award Criteria

2.25.4 The Bank will award the contract to the successful bidder(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the bidder is determined to be qualified to perform the contract satisfactorily.

(c) Bank's Right to Vary quantities

2.25.5 The bank reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the schedule of requirements without any change in unit price or other terms and conditions

(d) Bank Right to Accept or Reject Any or All Tenders

2.25.6 The Bank reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Bank action

2.26 Notification of Award

2.26.1 Prior to the expiration of the period of tender validity, the Bank will notify the successful bidder in writing that its tender has been accepted.

2.26.2 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties

2.27 Signing of Contract

2.27.1 At the same time as the Bank notifies the successful bidder that its tender has been accepted, the Bank will send the bidder the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.27.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.27.3 After fourteen (14) days of receipt of the Contract Form, the successful bidder shall sign and date the contract and return it to the Bank.

2.28 Corrupt or Fraudulent Practices

2.28.1 The Bank requires that bidders observe the highest standard of ethics during the procurement process and execution of contracts in pursuance of this policy, the Bank defines, for the purpose of this provision the following terms as follows:

- (i) “corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a Bank official in the procurement process or in contract execution; and
- (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Bank, and includes collusive practice among bidder (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Bank of the benefits of free and open competition;

2.28.2 The Bank will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.28.3 Further a bidder who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

2.29 Signing of Contract

2.29.1 At the same time as the Bank notifies the successful tenderer that its tender has been accepted, the Bank will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.29.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.29.3 Within thirty (30) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Bank.

2.30 Performance Security

2.30.1 Within Thirty (30) days of the receipt of notification of award from the Bank, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Bank.

2.30.2 Failure of the successful tenderer to comply with the requirements of paragraph 2.29 or paragraph 2.30 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Bank may make the award to the next lowest evaluated Candidate or call for new tenders.

2.31 Corrupt or Fraudulent Practices

2.31.1 The Bank requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations, the following terms are defined as follows;

- (i) "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
- (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Bank, and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Bank of the benefits of free and open competition;

- 2.31.2 The Bank will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- 2.31.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

3.4 Standards

3.4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications.

3.5 Use of Contract Documents and Information

- 3.5.1 The bidder shall not, without the Bank prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Bank in connection therewith, to any person other than a person employed by the bidder in the performance of the Contract.
- 3.5.2 The bidder shall not, without the Bank prior written consent, make use of any document or information enumerated in paragraph 3.5.1 above
- 3.5.3 Any document, other than the Contract itself, enumerated in paragraph 3.5.1 shall remain the property of the Bank and shall be returned (all copies) to the Bank on completion of the Bidder's performance under the Contract if so required by the Bank

3.6 Patent Rights

- 3.6.1 The bidder shall indemnify the Bank against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the Bank country

3.7 Inspection and Tests

- 3.7.1 The Bank or its representative shall have the right to inspect and/or to test the goods to confirm their conformity to the Contract specifications. The Bank shall notify the bidder in writing in a timely manner, of the identity of any representatives retained for these purposes.
- 3.7.2 The inspections and tests may be conducted in the premises of the bidder or its subcontractor(s), at point of delivery, and/or at the Goods' final destination. If conducted on the premises of the bidder or its subcontractor(s), all reasonable facilities and assistance, including access to production data, shall be furnished to the inspectors at no charge to the Bank.
- 3.7.3 Should any inspected or tested goods fail to conform to the Specifications, the Bank may reject the goods or equipment, and the bidder shall either replace the rejected goods or equipment or make alterations necessary to make specification requirements free of costs to the Bank.
- 3.7.4 The Bank right to inspect test and where necessary, reject the goods after the Goods' arrival shall in no way be limited or waived by reason of the equipment having previously been inspected, tested and passed by the Bank or its representative prior to the equipment delivery.

3.7.5 Nothing in paragraph 3.8 shall in any way release the bidder from any warranty or other obligations under this Contract.

3.8 Packing

3.8.1 The bidder shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract.

3.8.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract

3.9 Delivery and Documents

3.9.1 Delivery of the Goods shall be made by the bidder in accordance with the terms specified by Bank in its Schedule of Requirements and the Special Conditions of Contract

3.10 Insurance

3.10.1 The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage, and delivery in the manner specified in the Special conditions of contract.

3.12 Payment

3.12.1 The method and conditions of payment to be made to the bidder under this Contract shall be specified in Special Conditions of Contract

3.12.2 Payments shall be made promptly by the Bank as specified in the contract.

3.13 Prices

3.13.1 Prices charged by the bidder for goods delivered and services performed under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the bidder in its tender.

3.14. Assignment

3.14.1 The bidder shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Bank prior written consent

3.15 Subcontracts

3.15.1 The bidder shall notify the Bank in writing of all subcontracts awarded under this Contract if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the bidder from any liability or obligation under the Contract

3.16 Termination for default

3.16.1 The Bank may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the bidder, terminate this Contract in whole or in part

- (a) if the bidder fails to deliver any or all of the goods within the periods specified in the Contract, or within any extension thereof granted by the Bank
- (b) if the bidder fails to perform any other obligation(s) under the Contract
- (c) if the bidder, in the judgment of the Bank has engaged in corrupt or fraudulent practices in competing for or in executing the Contract

3.16.2 In the event the Bank terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, equipment similar to those undelivered, and the bidder shall be liable to the Bank for any excess costs for such similar goods.

3.17 Liquidated Damages

3.17.1. If the bidder fails to deliver any or all of the goods within the period(s) specified in the contract, the Bank shall, without prejudice to its other remedies under the contract, deduct from the contract prices liquidated damages sum equivalent to 0.5% of the delivered price of the delayed items up to a maximum deduction of 10% of the delayed goods. After this the bidder may consider termination of the contract.

3.18 Resolution of Disputes

3.18.1 The Bank and the bidder shall make every effort to resolve amicably by direct informal negotiation and disagreement or dispute arising between them under or in connection with the contract

3.18.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute, either party may require adjudication in an agreed national or international forum, and/or international arbitration.

3.19 Language and Law

3.19.1 The language of the contract and the law governing the contract shall be English language and the Laws of Kenya respectively unless otherwise stated.

3.20 Force Majeure

- 3.20.1 The bidder shall not be liable for forfeiture of its performance security or termination for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

SECTION IV - SPECIAL CONDITIONS OF CONTRACT

4.1. Special Conditions of Contract shall supplement the General Conditions of Contract. Whenever there is a conflict, between the GCC and the SCC, the provisions of the SCC herein shall prevail over these in the GCC.

4.2. Special conditions of contract as relates to the GCC

4.3 Payment Terms

The method and conditions of payment to the bidder under this contract shall be as follows:

- (i) payment for the Goods shall be made in Kenya shillings

- (iii) there shall be no advance payment under this contract
- (iv) payments will be made by the Bank, within ninety (90) days after submission of an invoice and a statement or claim by the bidder.

4.4 Price Variation

(i) Prices quoted by the bidder shall be fixed during the tender's performance of the contract and not subject to variation on any account for the period of contract except due to statutory / legislative requirement and foreign exchange fluctuations. The Bank will only absorb exchange rate fluctuations beyond 10% of the Central Bank of Kenya (CBK) mean exchange rate at the date of bidding. Unit price quoted shall be inclusive of all other charges incidental to the delivery of goods to our stores.

(ii) Bidders will inform the procuring entity in writing of any intended price changes during the period of the contract. Any such requests shall be subjected to a mini-competition with other bidders and will only be awarded the new price if the requesting bidder remains the lowest in the new evaluation.

4.5 Delivery of Goods

- (a) Delivery of the goods shall be made by the bidder to the Bank's store on as requested during the period of the contract when the Local Purchase Orders are issued.
- (b) If at any time during the performance of the Contract, the bidder should encounter conditions impeding timely delivery of the Goods, the bidder shall promptly notify the Bank in writing of the fact of the delay, it's likely duration and its causes. On receipt of the bidder's notice, the Bank shall evaluate the situation and may at its discretion extend the tender's time for delivery with or without liquidated damages, in which case the extension shall be ratified by the Bank by amendment of the Local Purchase Order.

However, in the event that such delay leads the Bank to procure the same items from other sources the bidder shall be liable to the Bank for any excess cost incurred for such similar goods and refusal by the bidder shall lead to termination.

- (d) Except as provided under the General Conditions of contract paragraph 3.20, a delay by the bidder in the performance of its delivery obligations shall render the bidder liable to the imposition of liquidated damages pursuant to paragraph 3.17 unless an extension of time is agreed upon pursuant to paragraph 2 (b) above without application of liquidated damages.
- (e) Upon delivery of the Goods, the bidder shall notify the Bank and forward the following documents to the Bank:
 - (i) Copies of the supplier invoice showing Goods description, quantity, unit price, total amount and Local Purchase Order number (LPO).
 - (ii) Delivery note giving details as (a) above.
 - (iii) Certificate of Origin where applicable.

The Bank with the arrival of the Goods shall receive the above documents, and if not received, the Goods will be rejected and the bidder will be responsible for any consequent expenses.
