

THIRD-PARTY CREDIT INFORMATION PROVIDERS

The Credit Information Sharing mechanism is regulated in accordance with the Credit Reference Bureau Regulations (2020). The Regulations allow Credit Reference Bureaus (CRBs) to source for credit information from third parties in order to enhance their databases, to provide a complete and comprehensive credit history of the borrower. Through this arrangement, CRBs have been able to broaden their databases with data from third-party Credit Information providers (CIPs) after conducting due diligence on the sources and obtaining approval of CBK. Third-party CIPs are providers of credit information other than commercial banks, microfinance banks and deposit-taking savings and credit co-operative societies which are mandatory subscribers. The Regulations require that customers are protected and a mechanism for handling customer complaints be in place to ensure that customers' complaints / disputes are handled expeditiously.

As at April 30, 2021, CBK had granted approval to CRBs to partner with the following third-party Credit Information Providers:

A: NON-DEPOSIT TAKING SACCOS
