

## THE A-Z OF LICENSING A DIGITAL CREDIT PROVIDER

The following are the key steps to be followed in applying for a licence to operate as a DCP: -

**Note:** New potential DCPs will start at **stage 1:** Approval of Name, whereas existing DCPs (already incorporated) will start with **Stage 2:** Application for Licence.

### Stage 1: Approval of Name

1. Promoters of a proposed DCP to familiarize themselves with the licensing requirements of the Central Bank of Kenya (Digital Credit Providers) Regulations, 2022, (**Part II: Licensing of Digital Credit Providers**). The Regulations can be accessed on the Central Bank of Kenya (CBK) website: [here](#)
2. Propose and reserve, in order of preference, at least three business names with the Registrar of Companies.
3. Submit the proposed names to CBK for approval, in order of preference through the online portal (<https://gdi.centralbank.go.ke/ui/nameapproval/>), together with the following supporting documents: -
  - i. Name reservation document obtained from Registrar of Companies.
  - ii. Names and addresses of the proposed shareholders, including a copy of requisite identification documents.
  - iii. A high-level brief (approximately 3-5 pages) detailing the proposed DCP.
    - Nature of business and business model, including the delivery channels used and platforms to be deployed by the applicant.
    - Target market, clearly bringing out the gap that the proposed entity intends to fill in the market.
    - Brief background on the shareholders' business or economic activities.
  - iv. The initial capital that the shareholders intend to inject in the proposed digital DCP business and provide documentary evidence of the sources of funds.
  - v. A declaration by the individual shareholders on the sources of funds. The declaration should be certified by an Advocate or a Commissioner of Oaths.
4. Proceed to incorporate a limited liability company with the Registrar of Companies using the approved name.

### Stage 2: Application for Licence
